PAN GLOBAL ENHANCES ITS ESG GOALS THROUGH ACCEPTANCE TO THE UNITED NATIONS GLOBAL COMPACT INITIATIVE

VANCOUVER, BRITISH COLUMBIA – (November 1, 2022) – Pan Global Resources Inc. ("Pan Global" or the "Company") (TSX-V: PGZ; OTC: PGNRF) is pleased to announce that it has joined the United Nations Global Compact ("UNGC"), a voluntary commitment to its Ten Principles and broader Sustainable Development Goals. Membership of the UNGC augments Pan Global's approach to Environment, Social and Governance ("ESG") best practice.

Tim Moody, Pan Global President and CEO states: "Pan Global's participation in the United Nations Global Compact provides a clear statement of the ongoing commitment to fulfilling our ESG objectives and operating our business responsibly and sustainably for the benefit of all our stakeholders. Pan Global will join more than 17,000 other companies in 177 countries, including many large and small mining companies, who have chosen to follow these important principles and objectives."

The UNGC was founded to uphold, promote, and embed the Ten Principles in business in the areas of human rights, labour, environment and anti-corruption. As a member of the UNGC, Pan Global provides a commitment to embrace the values and best practices embodied in these principles. Contained within the UNGC are seventeen Sustainable Development Goals that cover a wide range of challenges, including environmental sustainability, clean water, and poverty.

The UNGC provides a global platform for business and non-business entities to proactively network and engage in key areas of operating capability, and to promote greater social and environmental responsibility around the world by companies and their stakeholders.
